

Help Pave the Way for Riverwood Riders One Brick at a Time

Riverwood Therapeutic Riding Center is a magical place where life-changing experiences happen almost every day. We provide quality and professional equine assisted activities for children and adults who have a variety of physical, emotional, mental and developmental disabilities. Through our programs, Riverwood TRC promotes confidence and improved self-esteem in addition to improved balance, muscle tone, cognitive, and behavioral skills.

By purchasing a brick, you will help to provide equine assisted activities in our community. The bricks will be laid on the floor of the annex in our indoor riding facility.
