INDEPENDENT AUDITORS' REPORT

We have audited the accompanying financial statements of Riverwood Therapeutic Riding Center, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Riverwood Therapeutic Riding Center, Inc. as of December 31, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

RIVERWOOD THERAPEUTIC RIDING CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE A: ORGANIZATION AND NATURE OF ACTIVITIES

Riverwood Therapeutic Riding Center, Inc. ("Riverwood") was incorporated under the laws of the State of North Carolina in 1997 for the purpose of providing quality professional equine assisted activities for children and adults with special needs. Clients served include those with development disabilities, disabilities resulting from trauma, acquired chronic conditions, social/emotional disabilities and diagnosed mental health disorders. Services include therapeutic riding, able bodied riding, community-based learning, and other programs. Revenue is derived from fees on a monthly and per session basis. All services that are provided include a thorough assessment of the individual and their needs, a physician's statement and appropriate releases and emergency medical documents. A treatment plan and individual short and long term goals are set for each client along with ongoing progress notes. Riverwood operates on a year-round schedule serving more than 200 clients each year including those that come through the local school systems.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of Riverwood have been prepared on the accrual basis in accordance with U.S. generally accepted accounting principles (GAAP). Riverwood reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions - net assets that are not restricted by donors or for which donor-imposed restrictions have expired. If the board specifies a purpose where none has been stated, such funds are classified as board designated assets without donor restrictions.

Net assets with donor restrictions - net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of donor restrictions on the net assets (i.e. donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

RIVERWOOD THERAPEUTIC RIDING CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Riverwood considers all highly-liquid temporary cash instruments purchased with an initial maturity of three months or less to be cash equivalents. Riverwood maintains its cash and cash equivalents in a bank account, the balance of which may at times exceed federally insured limits. Riverwood's cash and cash equivalents are placed with high-credit quality financial institutions and Riverwood has not experienced any losses in such accounts.

Promises to Give

Contributions and grants (promises to give) are recognized as revenues in the period the commitment is made. Riverwood records unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contributions and grants revenue in the statements of activities. Riverwood determines an allowance for uncollectible promises to give based on historical experience, an assessment of the economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectible. An allowance for uncollectible promises to give was not considered necessary at December 31, 2018 or 2017. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions upon which they depend are substantially met.

Accounts Receivable

Riverwood records accounts receivable as the total unpaid balance, which approximates estimated fair value as of December 31, 2018. Riverwood determines past-due status of individual accounts receivable based on the contractual terms of the original service. Riverwood estimates its allowance for doubtful accounts based on a combination of factors, including Riverwood's historical loss experience and any anticipated effects related to current economic conditions, as well as management's knowledge of the current composition of accounts receivable. No allowance was considered necessary for the years ended December 31, 2018 and 2017. Accounts receivable that management believes to be ultimately not collectible are written off upon such determination.

Property and Depreciation

Property and equipment is stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets, generally from three to forty years. Expenditures for maintenance, repairs and minor renewals are charged to expense as incurred.

RIVERWOOD THERAPEUTIC RIDING CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Beneficial Interest in Assets Held by Others

In August 2006, Riverwood established a trust agreement, the Peter R. Kellogg Fund of Riverwood Therapeutic Riding Center, with the Winston-Salem Foundation (the "Foundation"), the purpose of which is to provide a permanent endowment to support the payment of benefits to employees of Riverwood. Monies have been irrevocably transferred to the Foundation, which will invest the funds and make quarterly earnings distributions to Riverwood in an amount determined by the Foundation. Riverwood has granted the Foundation variance power, the unilateral power to redirect the use of the assets, but has retained a right to the asset by specifying itself as the beneficiary. In accordance with GAAP, the endowment has been recognized as a beneficial interest in assets held by others in the accompanying statement of financial position at the current market value of the underlying investments held by the Foundation, which amounted to \$116,440 and \$122,971 for the years ended December 31, 2018 and 2017, respectively.

Revenue Recognition

Revenue is recognized when earned. Contributions are recognized when cash, securities, or other assets, an unconditional promise to give, or notification of a beneficial interest is received.

Donated Services and In-Kind Contributions

Riverwood records various types of in-kind support, including services and other tangible assets. GAAP requires recognition of professional services received if those services (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair value when received. The amounts reflected in the accompanying financial statements as in-kind support are offset by like amounts included in expenses or assets.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include utilities, repairs and maintenance, and depreciation, which are allocated on a square footage basis, as well as salaries, payroll taxes, and insurance, which are allocated on the basis of estimates of time and effort.

RIVERWOOD THERAPEUTIC RIDING CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Tax Status

Riverwood is a not-for-profit organization and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, income tax expense is limited to activities that are deemed by the Internal Revenue Service to be unrelated to their exempt purpose.

Riverwood's primary tax positions relate to its status as a not-for-profit entity exempt from income taxes and classification of activities related to its exempt purpose. It is the opinion of management that Riverwood has no uncertain tax positions that would be subject to change upon examination.

Riverwood is required to file a federal exempt organization tax return (Form 990) annually to retain its exempt status. Riverwood is also required to file an exempt organization business income tax return (Form 990-T) for any year unrelated business income exceeds \$1,000. Riverwood's Form 990 filings are generally subject to examination by the Internal Revenue Service for three years after they are filed.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

Riverwood has evaluated its subsequent events (events occurring after December 31, 2018) through the date of this report, which represents the date the financial statements were available to be issued and determined that all significant events and disclosures are included in the financial statements.

Change in Accounting Principle

On August 18, 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Riverwood has implemented ASU 2016-14 and has adjusted the presentation in these financial statements accordingly. The ASU has been applied retrospectively to all periods presented.

RIVERWOOD THERAPEUTIC RIDING CENTER, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE C: LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of the balance sheet date, comprise the following:

	<u>2018</u>	<u>2017</u>
Cash and cash equivalents	\$ 353,679	\$ 310,718
Grants and other receivables	22,112	19,676
Beneficial interest in assets held by others	<u>116,440</u>	<u>122,971</u>
Total financial assets	492,231	453,365
Less those unavailable for general expenditure within one year due to:		
Beneficial interest	(116,440)	(122,971)
Board designated financial assets	<u>(140,000)</u>	<u>(140,000)</u>
Financial assets available to meet cash needs for general expenditure within one year	<u>\$ 235,791</u>	<u>\$ 190,394</u>

Riverwood has a goal to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Riverwood's beneficial interest is donor-restricted and is not available for general expenditure.

Board designated reserves consisting of \$100,000 in cash reserves, \$25,000 in building reserves, and \$15,000 designated for extraordinary horse care could be made available, if necessary.

NOTE D: FAIR VALUE MEASUREMENTS

Financial assets and liabilities required to be measured on a recurring basis (at least annually) are classified under a three-tier hierarchy. Fair value is the amount that would be received to sell an asset, or paid to settle a liability, in an orderly transaction between market participants at the measurement date.

Assets and liabilities measured at fair value are categorized depending on the observability of the inputs employed in their measurement. Level 1 inputs are quoted prices in active markets for identical assets or liabilities. Level 2 inputs are observable inputs other than quoted prices included within Level 1 for the asset or liability, such as quoted prices for similar assets or liabilities, quoted prices in inactive markets, or other inputs that can be corroborated by observable data for substantially the full term of the assets or liabilities. Level 3 inputs are unobservable for the asset or liability, including Riverwood's own assumptions in determining the fair value of assets or liabilities.

RIVERWOOD THERAPEUTIC RIDING CENTER, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE D: FAIR VALUE MEASUREMENTS (CONTINUED)

Valuation techniques used in the fair value measurements need to maximize the use of observable inputs and minimize the use of unobservable inputs. A valuation method may produce a fair value measurement that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Riverwood believes its valuation methods are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions could result in different fair value measurements at the reporting date.

The following is a description of the valuation methodologies used by Riverwood for assets measured at fair value:

Beneficial Interest In Assets Held By Others: Equities and fixed income funds within the Winston-Salem Foundation (the Foundation) endowment pool are valued at the closing price reported on the active markets on which the individual securities are traded. Although the measurement is based on the unadjusted fair value of trust assets reported by the Foundation, Riverwood has irrevocably assigned the monies to the Foundation and is only able to redeem accumulated income that the Foundation has transferred to the grantable funds account within the endowment. Therefore, Riverwood considers the measurement of its beneficial interest in assets held by others to be a Level 3 measurement within the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, Riverwood's assets measured at fair value on a recurring basis as of December 31, 2018 and 2017:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2018</u>				
Beneficial interests in assets held by others	\$ -	\$ -	\$ 116,440	\$ 116,440
<u>2017</u>				
Beneficial interests in assets held by others	\$ -	\$ -	\$ 122,971	\$ 122,971

The table below sets forth a summary of changes in the fair value of Riverwood's level 3 assets for the years ended December 31, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Balance, beginning of year	\$ 122,971	\$ 116,235
Additions	-	100
Change in value	(1,827)	11,296
Distributions	(4,704)	(4,660)
Balance, end of year	\$ 116,440	\$ 122,971

RIVERWOOD THERAPEUTIC RIDING CENTER, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE E: PROPERTY AND EQUIPMENT

Property and equipment consists of the following at December 31, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Buildings	\$ 691,511	\$ 646,511
Vehicles and farm equipment	74,517	74,517
Furniture and computers	<u>3,180</u>	<u>3,180</u>
	769,208	724,208
Less accumulated depreciation	<u>(287,550)</u>	<u>(260,040)</u>
	<u>\$ 481,658</u>	<u>\$ 464,168</u>

Depreciation expense totaled \$27,510 and \$26,531 for the years ended December 31, 2018 and 2017, respectively.

NOTE F: DONATED GOODS, SERVICES, AND SPACE

Riverwood recognizes in-kind contribution revenue for certain services received at their fair value. Riverwood received in-kind building construction valued at \$45,000. In addition, Riverwood received in-kind vet services from a member of Riverwood's Board of Directors valued at \$8,684 and \$9,206 for the years ended December 31, 2018 and 2017, respectively. Riverwood entered into a fifty-year below market lease agreement for pasture space on March 19, 2001 with a member of Riverwood's Board of Directors. The fair market value of the pasture space provided is \$7,500 for the years ended December 31, 2018 and 2017, respectively. Other in-kind contributions valued at \$10,397 and \$11,909 for the years ended December 31, 2018 and 2017, respectively, include printing, copying, and food for a fundraising event. A substantial number of other volunteers have donated significant amounts of their time to Riverwood and its advocacy program; however, these donated services are not reflected in the financial statements since these services do not meet the criteria for recognition as contributed services under GAAP.

NOTE G: RELATED PARTY TRANSACTIONS

Riverwood receives contributions for general support and fundraising events from members of the Board of Directors. Contributions from current Board members were \$39,629 and \$47,492 for the years ended December 31, 2018 and 2017, respectively, including in-kind contributions of \$16,184 and \$16,706, respectively. There were no contributions receivable from Board members at December 31, 2018 and 2017.

RIVERWOOD THERAPEUTIC RIDING CENTER, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE H: NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are available for the following purposes or periods at December 31:

	<u>2018</u>	<u>2017</u>
Subject to expenditure for specified purposes and/or passage of time:		
Reynolds American Foundation grant	\$ 6,000	\$ 6,000
Winston-Salem Foundation grant	<u>-</u>	<u>996</u>
	6,000	6,996
Not subject to spending policy or appropriation:		
Beneficial interest in assets held by others	<u>116,440</u>	<u>122,971</u>

NOTE I: EMPLOYEE BENEFIT PLAN

Riverwood maintains an employee benefit plan established under Section 403(b) of the Internal Revenue Code. The Plan is available to substantially all employees of Riverwood who have met certain service and eligibility requirements. Employee contributions to the Plan are limited to a percentage of compensation, as defined by the Plan, and are matched by Riverwood subject to certain limitations. Riverwood contributed \$6,240 and \$8,570 to the Plan on behalf of its employees for the years ended December 31, 2018 and 2017, respectively.
